

Notes to the Town

This past week we had the privilege of being hosted by elected and appointed officials of Niagara on the Lake. We spent a very enjoyable day learning of the creation of the tourist section along with the four other small hamlets that have amalgamated into one town. We look forward to sharing our impressions and thoughts of applications to the Town and Village Boards on June 26, 2003 at our joint session. Comprehensive Planner John Steinmezt will lead the discussion.

Congratulations to Boy Scout Troop 23 on their celebration of 75 years of serving the youth of our community. Sunday, June 8th, LeRoy Methodist Church hosted the celebration and worship service. The Boy Scout program prepares youth for leadership roles in their community. Congratulations to all the Scoutmasters, leaders, past and present boy scouts. The community is richer for your 75 years of effort!

We welcome the 65th annual convention of the 8th District American Legion convention to LeRoy this weekend. Botts-Fiorito Post 576 on West Main Street will serve as the host site. The convention was last held in LeRoy in 1971. The post membership numbers 400 in LeRoy alone. We hope the convention is a success and encourage all our community members to participate in their activities on Saturday, June 14, 2003.

From the Assessor, Beth Hiscutt- please review, make corrections and return the property information forms that you have received as landowners. These reports will serve as the information used for assessment. If you have any questions or concerns, please call Beth at 768-6910 ext. 221. Thank you

From Code Enforcement Officer, Gene Sinclair- Please check with the schedule for Planning and Zoning Appeals boards prior to contracting for work at your residence. All modifications that require permits must be allowed an eight week window for approvals. We have experienced a greater than normal number of irate citizens that have hired contractors for work, only to be stopped for the formal permitting process. Please save yourself time, energy, frustration and resources by first checking the schedule for those permitting boards and county planning board too. Gene Sinclair would be happy to help you in that process. You can reach him at 768-6910 ext.223.

Kathy Bugajski, Recreation Director reports that LeRoy Recreation is the recipient of an \$800.00 matching grant from Hook A Kid on Golf. We are now accepting sponsor donations in any amount to match this grant. Each \$50.00 raised will allow a child to participate in this week long clinic and receive a starter set of golf clubs. Participants must be 8-13 years of age and have never golfed before. Applications for the Hook a Kid on Golf clinic are in the Summer Recreation Brochure. Please contact Kathy Bugajski at 768-6910 ext. 226 to become a sponsor.

Also, Monday ,June 16th is the first day of registration for swim lessons and swim tag sales - 6:30 PM at the Town Hall, 48 Main Street.

Summer Recreation Brochures have been distributed to the following locations: Town Hall, Village Hall, Holy Family School, Wolcott Street School, Woodward Memorial Library, LeRoy House, Lei -Ti Too Campground, Timberline Campground and Genesee County Campground.

Water News:

Route 19 South, Water District #6: service inspection and meters are available by calling project manager Carl Baxter at 343-7642. The cost for the inspection and water meter are included in the construction costs of the district. There are a few homes already connected and receiving water. The contractor is making a good effort in the lawn reclamation for this district. If you have concerns about that work please contact Carl Baxter at 343-7642.

Route 5, east of Village, Limerock Area residents that received water lines last fall and winter are calling about lawn reclamation, please refer to the following numbers for contacting the proper contractor to complete the lawn reclamation. Millherst Construction for the placement of the main water line and the seven effected homes for the Lehigh Valley Derailment Project number 716-688-9098 ask for Chop Kubiniec. If your issue pertains to the service connections performed under the Monroe County Water Authority Contract, please contact Dakksco Pipeline Corporation at 585-328-6820 ask for Dan Morin. We hope these contact numbers help you.

Asbury Road Proposed Water District from 9201 to 9331 Asbury Rd formal petition will be adopted this week at the Town Board meeting. Residents who want water will need to sign on the formal petition as your legal vote. USDA Rural Development has invited that district to apply for a low interest loan and grant package of \$153,600 loan, \$133,400 grant for 2003 funding. The formal petition will be available to those residents this week for distribution.

Town of LeRoy Consolidated Water District Extension #1 (Randall, West Bergen and Selden Roads) has yet to be invited to apply for any funding. We continue to inquire daily with USDA. We are waiting, waiting, waiting. Have faith!

Town Clerk, Patty Canfield - reminds us that Transfer Station will have roll-offs available during the month of July. Please purchase your punch cards at the Town Hall. Punch cards are not available at the Transfer Station. Also, there are free wood chips available at the Transfer Station every Saturday from 9 am to 3 PM.

Free rabies clinic will be held at Village DPW on July 17th from 1:30 - 4:30 PM. Donation of \$5.00 are appreciated, Non-county residents pay a mandatory \$5.00 fee.

Bunnell Park Pavilion reservation are being accepted at Town Hall, please call Patty Canfield at 768-6910 ext. 224.

Public Safety issue continue to be major concern at Bunnell Park. There is no parking on Summit Street Road at the Park. When the parking lot is full, please park at Hartwood, (which is always empty) and enjoy the stroll to the playing fields. We have requested the Sheriff to increase patrols at Bunnell Park to ensure public safety. Please do your part to ensure your safety and the safety of others. Use Hartwood Parking Lot.

Holiday weekend of July 4th has our offices closed on Friday, July 4, 2003. Please plan ahead for that closing, Our regularly scheduled meetings for the next month are: June 26th with Village Board and July 10th. We hold our meetings at 7:00 PM in the Town Hall Courtroom, please join us.

Shelley Stein, Supervisor 768-6910 ext. 231
